Liquozone does in germ troubles what all the drugs, all the skill in the world, cannot do without it. It cures diseases which medicine never cures.

Woman Murdered.

At Cardiff, a village near Dubols, Pa. a woman sacrificed her life for her hus, band's hat, being shot down in cold blood Saturday night, by an Italian whilrecovering the hat, and a half hour latee the murderer was lying dead, his head full of buckshot from the gun of the husof the murdered woman, A quarrel of a trivial nature was the cause of the double-killing. Frank of Cardiff, which is 11 miles east of Dubois, left his home Saturday night to visit friends at a boardinghouse a short distance from his home. an hour was spent sociably at the boardinghouse when a quarrel arose between Paul and Savere Pelligreno, an inmate of the house. Although the quarrel was of a trivial character. Paul, suspicious of danger, would not remain, and left hurriedly for his home, leaving his hat lying on the ground in front of the house. His wife urged him to return for the hat but Paul was timid about returning, and his wife volunteered to go and get it. Paul being uneasy, watched her from his door. She walked to the boardingouse, which was in plain sight of Paul's home, and as she stopped to recover the hat Pelligreno fired pointblank at her with a shotgun. The charge of shot entered the woman's head and she fell dead. Paul, who had witnessed the scene, took a revolver and shotgun and started to avenge his wife.

Arrest was resisted and knives and clubs were much in evidence. In the melee Cochran downed Perry with a club, while the latter was trying to carve John Dunlap with a bowie knife. The officers finally overcame the resistance, but not until several of the unruly members were much battered up and a number of officers finally overcame the resistance, but not until several of the unruly members were much battered up and a number of officers had wounds from stones and knives.
